

# My Confirmation Reflection

Bishop Mark Edwards spoke about being great for God and the world. He came to greet us before our Confirmation on Sunday 22nd October and I felt so much reverence as he spoke. When he prayed a special prayer with us before Confirmation in the hall, I felt a special connection to Saint Elizabeth. I can use the Gifts and Fruits to be 'great' by putting others before myself, looking after people by going out of my way to help them and by caring for others in need, like the poor.

After Confirmation my family and I went back to my grandparents house. At my grandparents house we all sat down and enjoyed some chicken and chips to celebrate. Around the table everyone felt overjoyed and so excited for me. Overall, I had an amazing day and I am looking forward to the years ahead as I have got the guide of the Holy Spirit in me, to show me the way and help me make good choices.

By Lauren, 6M.

Before Confirmation I was feeling very anxious and nervous but as it got closer to the time of Confirmation, I felt special and became less apprehensive because I felt like God was coming closer to me. During Confirmation I felt very loved as I knew that the Holy Spirit was throughout me. After Confirmation, I felt blessed, cared for and very special and I was ecstatic to be filled with God's love and Grace.
