

Religious Education

In Religious Education this term, we will be focusing on prayer and why it is an important aspect of our faith. We will also be learning about Lent, which is a 40 day journey from Ash Wednesday until Holy Week. We will focus on Lent being a time of prayer, going without and almsgiving.

Specialist Subjects

Visual Arts

In Visual Arts this term, we will be learning about the artist George Seurat and his use of the technique of Pointillism.

Italian

In Italian this term, we will be focusing on greeting friends using informal language. We will also be focusing on the correct pronunciation of these words.

Physical Education

In Physical Education this term, we will be playing games which will extend our kicking, throwing, catching and striking skills. We will show our ball skills in a variety of game situations.

Literacy

Reading

In Reading, we will be learning about persuasive texts (expositions), and looking at different features contained in these texts, such as modality words, rhetorical questions and facts and opinions.

Writing

In Writing, we will be learning about writing a persuasive text (expositions). Our main focus will be writing persuasive texts (expositions) in the correct structure and using connectives to assist us with ordering our arguments.

Speaking and Listening

For Speaking and Listening, we will be listening to and participating in discussions to share information, opinions and ideas. We will also learn to use appropriate words when expressing opinions.

Library / Author Study

In Library, we will be looking at books by Aaron Blabey. We have selected silent reading books for the term, which we will be reading during class time.

Social and Emotional Learning

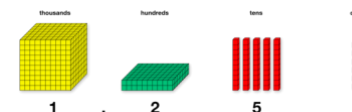

This term we are focusing on how we can be bucket fillers and we are leaning to make new friendships as we get to know our new classmates.

Mathematics

During the term we will be focusing on collecting data and constructing bar / column graphs as well as picture graphs. We will analyse what information the graphs give us.

Our focus in place value will be to read, write and model four-digit numbers.

The children will also be completing mental Maths tasks.

Inquiry

Our topic question for Inquiry this term is 'How Can I Strengthen My Personal Identity?' We are learning about what it means to have a 'growth mindset' and how this can help us with our learning.

ICT

This term we will be focusing on learning how to save our work to the Emmaus Server. We will also use the program Microsoft Excel, to sort data (numbers) using the data sort function.
