Emmaus Catholic Primary School has a commitment to the care, safety and wellbeing of children.

Thursday 17th October, 2019

FROM THE
PRINCIPAL

Today the Emmaus staff worked together with Catholic Education Melbourne (Northern Office) to celebrate all the wonderful things that happen at Emmaus and to design a way forward leading on from the recommendations from the school review that was completed in May this year. It was a wonderful chance to meet together to share our story and to plan future endeavours which will benefit not only the children but the entire Emmaus community.

This Sunday we are looking forward to celebrating the Sacrament of Confirmation with our Year 6s and their sponsors, families and friends. Brad, Jamie and Lorraine have been working incredibly hard alongside the Year 6s in preparation for this big day. Please keep the children in your prayers.

On Monday, 21st October we would expect to see all children in their full summer uniform. Please make sure the jumpers and hats are labelled with their names on them. This helps us to return any stray items to their owners.

As I have already mentioned we are currently planning for 2020. If you are considering moving your child/children to another school or even just thinking about it, we need to know so we can plan effectively. Our enrolments influence our staffing schedule for 2020. We will always keep your child's position until you are certain you are moving.

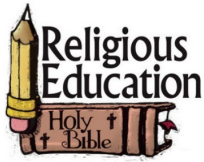

If you would like to chat about your child's placement next year please give the office a call and make an appointment to chat to me. Whilst you cannot request a teacher you may have some information about your child that we may need to consider when placing your child in a grade next year. This information would always be confidential. The closing date for these meetings will be next Friday, October 25th after that it will be too late for us to consider.

Take care,

Jackie
