Emmaus Catholic Primary School has a commitment to the care, safety and wellbeing of children.

Thursday 14th November, 2019

FROM THE PRINCIPAL

It's been a really busy week at Emmaus.

The Year 6s have begun their two week swimming program learning about water safety. This is an important extra curricular activity as it enables our children to learn how to keep themselves and others safe around water. The children have been walking to 'Flippers Swim School' responsibly and have been listening attentively to the swimming teachers. They have demonstrated great leadership in our local community.

The Year 2s and 3s have been enjoying incursions based on their Inquiry Unit. The facilitators of these programs were very impressed by our children's manners and their engagement in the activities. We are very grateful to the parents who offered up their time to support our children's learning. It would not have been as successful without them. It is wonderful to be able to partner with our parents for the success of our children.

Speaking of parents. We were very grateful to these parents for giving their time on a very hot and blustery Friday at our Athletics Carnival.
