

Religious Education

In Religious Education this term we will explore the big question of “ **How can we respond to God’s call to be stewards of the earth?**”

We will be discovering the wonders and beauty all around our world through acts of kindness, behaviours and the environment . We will make connections to Scripture and take action as God’s stewards.

Specialist Subjects

Italian

In Italian this term, we will be making predictions after viewing Italian stories, songs and YouTube.

Physical Education

In Physical Education this term, we will be focusing on staying active, enhancing fitness and challenging our body in various ways. We will be performing varied physical activities that require control and transference of body weight.

Visual Arts

In Visual Arts this term, we will be studying Drawing. We will be incorporating the elements of art into our drawing activities. We will be exploring a variety of drawing skills and techniques using easy to access art materials.
