

Religious Education

In Religious Education this term we will explore the big question of **“How can we respond to God’s call to be responsible members of our world?”**

We will be discovering the wonders and beauty all around our world through acts of kindness, behaviours and the environment . We will make connections to Scripture and take action as God’s stewards.

Specialist Subjects

Italian

In Italian this term, we will be listening and repeating vocabulary, and reading sentences about people’s features.

Physical Education

In Physical Education this term, we will be performing fun activities using various movement skills, such as galloping, leaping and jumping, to stay active and healthy at home.

Visual Arts

In Visual Arts this term, we will be studying Drawing. We will be experimenting with a variety of drawing techniques and using basic art materials such as pencils, texas and crayons.

Social and Emotional Learning

During this time of uncertainty, we will be focusing on strengthening our physical, mental, emotional and social health using online tools such as Go Noodle. Through our class Google Meets we will continue to build stronger connections with our peers.

Literacy

Reading

In Reading this term, we will be exploring non-fiction texts about the four seasons of the year. We will begin to answer comprehension questions to show our understanding of the texts that we read. We will continue to use a variety of strategies to improve our reading ability.

Writing

In Writing this term, we will produce sentences using known letters and digraphs, as well as tricky words. We will be adding more detail to our sentences by using connectives and describing words.

Speaking and Listening

For Speaking and Listening, we will begin our Show and Tell presentations via Google Meets. Through this platform we will practise taking turns and asking relevant questions.

Library / Author Study

This term, we will be exploring a variety of Nick Bland books.

Inquiry

Our topic question for Inquiry this term is **‘How does the weather affect our lives?’**. We will be learning about the four seasons of the year and how changes in the weather affect our everyday lives.

Mathematics

In Mathematics this term, we will be learning that when we subtract the number gets smaller. We will be learning to compare the length, mass and capacity of a variety of objects. We will also be exploring the concept of money and identifying Australian coins.

Dates / Events

Google Meet times:

- Monday & Thursday at 2.00pm
- Tuesday and Friday at 10.00am
- No Google Meets on Wednesday!
