### Rationale:

For a while – until the next change to permitted numbers – the streamed Mass will be from the same venue each week: Sacred Heart at 5.00pm Saturdays.

The reason for this is that the streamed Mass will be indoors where the number is limited to 20, whereas the number permitted outside is 50. Keeping the streamed Mass at the same place each week will allow the schedule, including permitted numbers, to be repeated each week, minimising potential confusion as Parishioners book places.

The reason for Sacred Heart being the location for the streamed Masses each week is that the signal is more reliable from there.
