

Student Code of Conduct

I, _____ (Emmaus student) believe that each student should feel happy, safe and have a sense of belonging in their learning environment.

I have certain rights that make sure I am safe and able to learn.

Like at all schools, I need to follow the rules and code of conduct.

This Code of Conduct is consistent with the Child Safety Standards. The code of conduct is based on rights, rules and responsibilities along with the following beliefs:

- That all students have the right to be safe.
- That all students have the right to be treated with respect.
- That all students have the right to work and play without interference.
- That all students should be encouraged to be polite, courteous and well-mannered.

Emmaus has six basic school rules and expectations:

1. Follow instructions
2. Keep hands, feet and objects to yourself
3. Speak appropriately
4. Listen to the speaker
5. Move safely
6. Treat all property with care

Expectations

Everyone in our school community has the right to:

- feel safe - learn - be respected - be valued

Our SRC Year 5 & 6 leaders believe that means:

- All students need to be treated fairly no matter what race, gender, or abilities they may or may not have
- Students are to care for one another
- Students should treat each other as they'd like to be treated
- Students should help others when they need support i.e. are upset, hurt, lonely, etc...
- Support the Preps while they settle into school life
- Show kindness to others
- To lead by example

Our school runs smoothly and safely because we:

- Include students in games and activities during play time.
- Stay within the Emmaus boundaries.
- Wait for the yard duty teacher before going on the playground or oval.

During Class:

- Are open to learning.
- Respect classroom rules and student code of conduct.
- Encourage our friends and peers to learn and support them, when they make mistakes.
- Stay on task and communicate with teachers and students positively.

After School:

- Leave the classroom in a tidy, orderly and safe manner.
- Are supervised by the teacher on yard duty in the Mary Garden whilst waiting to be picked up by an adult or older sibling.
- Do not enter the classroom without teacher supervision.
