

Emmaus Catholic Parish Primary School Sydenham

Emmaus Catholic Parish Primary School has a commitment to the care, safety and wellbeing of children.

Wednesday, May 13 2020

Dear Parents and Carers,

Thank you for all your support during these past few weeks of flexible remote learning. We are very excited to have the children returning to school.

Following advice from the Chief Health Officer, the Victorian Government and the Catholic Education Commission of Victoria Ltd (CECV) have advised that schools can begin a phased return to onsite schooling.

In the **first stage**, students in **Prep, Grade 1 and Grade 2** will return to school from Tuesday 26 May.

To support all school staff to prepare for this transition, Monday 25 May will be a student-free day.

In the **second stage** of our return to onsite schooling, all other year levels will return to school from Tuesday 9 June.

For those students who cannot be supervised at home and vulnerable children, the existing model of onsite schooling will remain in place during the two-week period from Tuesday 26 May to Tuesday 9 June.

If you require onsite supervision of your children please book your children in by ringing Jenny in the office or emailing her at secretary@emsydenham.catholic.edu.au. This is very important as we need to have the correct teacher/student ratio.

Before and after school care will be available to Year Prep, 1 and 2 families as well as those students attending onsite, supervised, flexible remote learning as their parents are essential workers.

All other students in those year levels (Years 3,4,5,6) will continue flexible remote learning from home until Tuesday 9 June.

Years 3,4,5 and 6 students will be able to attend Before and after school care as of the 9th June.

Once a year level has returned, all students will be expected to attend school as normal. This means if you choose to keep your child/children home after their year level has returned to onsite schooling, we can no longer support their flexible remote learning at home.

This does not apply to children who need to be absent for health or medical reasons. For those families, please contact us so we can make an appropriate plan.

This same approach is being taken by all Catholic and government schools in Victoria.

To support the health and wellbeing of all students and staff, our school will continue an enhanced cleaning routine and will encourage frequent handwashing.

If your child is ill or is feeling unwell, they must not attend school. They must remain home and seek medical advice.

While the Chief Health Officer has advised that students will not be required to maintain physical distancing at school, there will be a number of important changes to our school operations, consistent with health advice to all schools that will be made available in coming days. These will apply until further notice. I will provide more details about our local school context as soon as possible, but it is important to note that changes will include:

- adjusted arrangements for drop-off and pick-up
- restrictions on access to the school site for anyone other than immediate school staff and students
- reporting to parents
- the way we conduct parent–teacher meetings and interviews

We understand that some families may feel anxious about this move back to classroom teaching and learning. This decision has been taken on the basis of the best health advice available to our state.

More information about the return to school and coronavirus (COVID-19) can be found on the CECV website, which will continue to be updated:

www.cecv.catholic.edu.au/Coronavirus-information-for-parents.

The dates have now been finalised and details of what that will look like at Emmaus will follow shortly. We are working very hard to organise a safe and calm transition back to school for all children and families. Once again, we may not get everything right the first time and not everything will suit every family but we will do our best for the common good of all.

Thank you for your continued support and patience during this time. We look forward to welcoming students back to the classroom.

Yours sincerely

Jackie Byrne
